

Health & Care Homes

BCAL have been commissioned on a broad range of health and care home projects.

One project involved the re-provision of care homes across Northamptonshire. Working in conjunction with the client Shaw Healthcare and the contractor Kier Marriott, 8 new homes and 2 remodelled / extended homes have been recently completed. The new homes range from between 40-60 bedrooms and a number include facilities for residents with dementia.

Other projects include:

Private Care Home at Kettering Venture Park

60 bed Care Home at Cambridge

Day Care facility for Corby Cancer Care
